NOTICE

11 December 1947

SUBJECT: Christmas Decorations in Government Buildings

1. Quoted below is a memorandum received from the Office of Buildings Management, Public Buildings Administration, Federal Works Agency:

"SUBJECT: Christmas Decorations in Government Buildings

"We would appreciate your cooperation in the enforcement of the following regulations regarding the placing of Christmas trees or Christmas decorations in buildings operated by the Public Buildings Administration.

"A reasonable number of Christmas trees may be placed in buildings of fire-resistive construction and in frame buildings provided with automatic sprinkler protection. No trees will be permitted in frame buildings without such protection unless approval is given by the Superintendent. The trees should not be kept in buildings for more than seven days.

"No cotton or other inflammable materials may be used for decorating the trees. No lighted candles will be permitted in any buildings. Electric lights will be permitted on Christmas trees and in buildings, if the installation of such lights is inspected and approved by the Superintendent. Inflammable decorations will not be permitted in buildings without the approval of the Superintendent. If the use of decorations and Christmas trees is contemplated for dances, parties, or other gatherings in Government buildings, prior approval must be obtained from the Superintendent."

2. Any question concerning the above regulations should be referred to Chief, Services Branch, A&M.

SUBJECT: Christmas Holiday Leave Policy

1. In order to provide all CIA employees with an opportunity to make Christmas holiday plans, it is desired that each Office and Staff Section Head immediately plan his schedule and personnel requirements for the period 21 December 1947 through 4 January 1948, in such manner as to provide an equal opportunity for all individuals under his supervision for any desired holiday leaves.

2. During this period a minimum of 50 per cent of the working staff should be on duty during each working day. Responsible supervisors will insure that all subdivisions of their activities are manned to the extent that essential operational requirements will be met.
